3. Travel information regarding your onward journey to your hotels or the regatta course upon arrival at the airport.

At the airport, you can go to the Info Point on level 3 in Terminal 1 or 2. Our volunteers will be there to provide advice and assistance. If you have any questions, please do not hesitate to contact them.

Daily commute to the regatta course:

Dachauer Straße is a busy federal highway (B 471); consequently, traffic jams and slow-moving traffic occur every morning, especially when approaching from the direction of Dachau. Please allow at least an extra 30 minutes for your journey.

Parking tickets:

We have a large parking lot, but it is also open to day-trippers and gets very busy in the summer, as there is a swimming lake nearby that is accessible only via this entrance. If the parking lot fills up, there will be no alternative parking available in the immediate vicinity.

However, you can guarantee yourself a parking space by purchasing our event parking ticket, which covers the four race days plus the training and opening day.

This parking pass costs €50 (€10 per day). On the first training day, you can purchase a ticket on-site that charges based on the duration of your stay (hourly rate).

Please book your parking tickets using the online form.

<https://forms.gle/Kggjcbx3mVgrqf1R8>

Once payment has been transferred, you can collect your personalized parking passes from the Regatta office upon arrival.
